Module 1

The screenshot shows the 'Global Studies' course page. On the left is a sidebar with navigation buttons: Lessons, Course Information, Assessments, Gradebook, Email, Discussion Groups, ChatRoom, Whiteboard, My Folders, Students, Technical Support, Announcements, Other Courses, Customize, Logoff, and Web 2.0 Tools. The 'Lessons' button is highlighted with a red box and an arrow pointing to a text box that says 'Select the Lesson button to find all of the modules (like chapters)'. The main content area has a header 'Global Studies' and a banner with the text 'Global News Network...Bringing the World Community Together One Story at a Time'. Below the banner is a grid of lesson selection buttons. The first button, 'Orientation', is highlighted with a red box and an arrow pointing to a text box that says 'The first lesson is in the first module: orientation. Select the drop down box here.' The grid contains buttons for 'Orientation', 'Global Perspective', 'World Population', 'Celebrating Diversity', 'Global Security', 'Global Economy', 'Human Rights', 'Protecting the Environment', and 'Global Community'. Each button has a dropdown menu labeled 'Module 1 -- Select a Lesson' or similar. At the bottom, there is a footer with the Florida Virtual School logo, copyright information, and a 'Home' button.

Lesson 1.01 First Day on Job

Welcome to the Global News Network. Our motto is ***"Bringing the World Community Together One Story at a Time."*** There is much to learn on your first day. To begin, there are a number of areas you must learn about before you can start your first assignment. When you are done with each of the following topics, go to

Managing Your Files

Some lessons provide a work file icon on your computer and they will give you the ability to download, use, and save these work files.

Your work file is here. Click it and save it under your student folder. Saving is important. If you do not save right away you risk losing this as a temporary file.

- Get started by creating a work file folder on your computer.
- To learn how to do this, read [Creating a work file folder](#).
- Once you have created a folder, use the work file icon to the left to open and save the work file for this lesson. Save the file as **01_01_firstday**.
